conditions

1. An authorisation note and a copy of ID card of owner are required if the telephone line is not registered under the name of the applicant.
2. All communication charges are rounded off to the nearer higher minute. All rates include the national telephone communication charges.
3. Minimum period of subscription (3) three calendar months for Dial-Up access.
4. The customer shall protect the secrecy of the login and / or email address and/or password assigned to him at all times and shall ensure that the same is not revealed or disclosed in any manner whatsoever to any persons whomsoever. The customer shall be fully responsible for and shall bear all charges, losses, or damages arising from any use of his email address and/or password howsoever the same may arise. To maintain the secrecy of your account, we recommend you to change your Dial-Up password online regularly.
5. You will be billed rental and package for Dial-Up Internet access in advance on your Mauritius Telecom telephone bill and billing shall take effect as from the 1st to the 31st of each month.
6. All applicants are required to indicate their choice of any one of the packages. Billing will be made on the telephone number specified on the application form.
7. Any change in the designated billing telephone number or charges shall be notified in writing to Telecom Plus one month in advance where applicable. Changes will take effect on the first day of the next month.
8. The customer shall be allowed to carry forward all the unutilised time left on their package to the next coming month. The unutilised time shall cumulate with the time allocated through the monthly subscription. However, in case of upgrade and downgrade of package, minutes unused will not be carried forward. This feature is not applicable for Dial-Up 3H.
9. The customer shall promptly inform the company of any complaints arising from the use, access, and provision of the Service or Software. The customer shall within three months from the date the customer is aware or made aware of the problem, report any complaint to Telecom Plus. The company shall not entertain any complaint which is in relation to any problem which arose beyond the delay stipulated in this Clause.
10. In case of termination of the customer's telephone subscription by Mauritius Telecom, the customer shall promptly inform the company.
11. Termination of internet account will be effective in the last date of the next month from the date of receipt of customer's request.

note : Telecom Plus will use reasonable endeavours to create login and passwords within 48 hrs day from reception of your application form duly filled and signed. Customers shall therefore expect that their service shall be operational and their monthly rental effective as from the dates agreed with Telecom Plus. However, Telecom Plus has no liability for any failure to meet any date.

I/we hereby agree that this application is subject to the Dial-Up Terms and Conditions of Telecom Plus. I/we hereby confirm that I/we have read, understood and agreed to be bound by the said Terms and Conditions. I/we hereby certify all the above information is correct and that I/we are legally bound as in the Terms and Conditions.
